

## Waiver of Liability

I understand there are risks associated with having artificial eyelashes applied to and/or removed from my existing eyelashes, and that notwithstanding the utmost of care in the application or removal of these products, there still exists risk associated with the procedure and product itself, which include, without limitation, eye irritation, eye pain, discomfort, and, in rare cases, blindness even when applied in the usual manner. If I experience any irritation, redness, puffiness, itchiness, an allergic reaction or any other side effect of this procedure, I will contact a medical doctor immediately. As part of this procedure, I understand that a certain amount of eyelash adhesive material will be used to attach the artificial eyelashes to my existing eyelashes. Even though the eyelash extension artist may apply or remove my eyelash extensions in the usual manner, I understand adhesive material may become dislodged during or after the procedure, which may irritate my eyes or require further follow-up care, at my own expense to prevent damage to my eyes. I also understand there is more than one technique for applying eyelash extensions to my eyelashes, and I will not attribute any liability to the eyelash extension artist as a result of this procedure or the use and care of these lashes. I also agree to defend and indemnify the eyelash extension artist from any and all claims, actions, expenses, damages and liabilities, including reasonable attorneys' fees which might be asserted against her as a result of my having this procedure performed, or my purchase of these eyelash extension products from her. I agree to commit and pay for my eyelash extension services and understand the fee is not refundable if I change my mind after receiving the services. I will also agree to pay the fee for the professional removal of my eyelash extensions.

I Agree to this Waiver of Liability.

## Permissions to Use Photographs

I hereby grant the eyelash extension artist the full right to take, publish and reproduce photographs of me, my face, my eyes and/or eyelashes, both before and after this procedure, for any advertising, education, or other purposes whatsoever, including the right to retouch these photographs as deemed necessary by the eyelash extension artist. I further expressly assign any copyright in these photographs to the eyelash extension artist. I also grant my consent for the eyelash extension artist to use my image and likeness as contained in these photographs for any advertising or other purposes.

I Agree.

## Care and Maintenance

I agree to follow the care and maintenance instructions provided by the eyelash extension artist for the use and care of my eyelash extensions, and that if any follow up care is required due to my own mistake or negligence, or failure to follow these instructions, this will be at my own risk and expense. I understand that if I do any of the following, it may result in damage to my eyelash extensions or may cause my lashes to fall off prematurely. Knowing this I agree to follow these tips for the best results: \*I will avoid touching the lashes, or spending any prolonged amount of time with the lashes wet for the first 24 hours to protect my lashes. \*I will avoid oil based eye products, as these will loosen the bond of my eyelash extensions. \*If I experience any itching or irritation, I agree to contact a medical doctor immediately and the eyelash extension artist to have the eyelash extensions removed. \*Avoid using mascara, eyelash curler, perm, or tint on your eyelash extensions. \*I agree to not pick, pull or rub my eyelash extensions. \*I understand that I should not attempt to remove my lash extensions on my own or with any product, but that the procedure requires that my eyelash extensions be professionally removed. I understand that if I pick, pull on, or rub my eyelash extensions it may result in the premature and or permanent loss of my artificial and natural eyelashes. I Agree to the Care and Maintenance Terms. I acknowledge that I have been advised of the potential harmful or negative side effects that the lash extension procedure may cause to those who have specific medical or skin conditions. I understand that the adhesives and adhesive remover are a skin, eye and mucus membrane irritant and that in rare cases persons may be allergic or have hypersensitivity to synthetics, cyanoacrylate or formaldehyde, which in small amount may be present in the adhesive. I understand that the procedure requires that I lay still for up to 2 hours or longer with my eyes shut, and that if I wear contacts, I must remove my contact lenses for the duration of the lash extension application or removal. I further state that I have no known medical condition that might be aggravated by the procedure or any medical condition that would prevent me from complying with or heeding to the eyelash extension artist's instructions or these warnings.

I Agree.
